Mr. Whittaker,

This is astonishing! Typically, asteroids only contain trace amounts of gold. The odds that one with a large solid gold core should land here in Odyssey are astronomical!

(Pardon the pun.)

The quality of the gold itself, combined with its exotic origin will likely catapult the worth of this meteorite into the millions!

CASE: 4490 - STOLEN METEORITE  
ODYSSEY, USA  
CAMPBELL COLLEGE

CRIME: *Valuable Meteorite Stolen*

SCENE SUPERVISOR: *Peter Bourland*

Adt. SUPERVISOR:

SUSPECTS: *John Whittaker, Eugene M.*

### NOTES:

FBI alerted to keywords regarding case through digital surveillance. Meteor stolen shortly after. Local Police suspected Odys Residents John Whittaker and Eugene Meltner as prime suspects, as they were working closely with the Meteor the night of the theft. Obtained search warrant, found condemning evidence at Meltner's residence.

Supervising Agent has past with the suspect where they provided invaluable assistance on the Anaromeda cases.

Granted special warrant by Director. FBI analysis found traces of tampering with exterior windows of the Meltner residence. Unidentifiable DNA traces found in vest. My guess is whoever stole the Meteorite planned to frame Meltner. planted evidence in the Meltner home to achieve that end. Suspects have been remanded into my custody.

## INCIDENT REPORT

CASE: 4490 - STOLEN METEORITE  
WASHINGTON DC  
FBI HEADQUARTERS

INCIDENT: Systems compromised, chase through  
headquarters, arrest of double-agent

SCENE SUPERVISOR: [REDACTED]

SUSPECTS: Agent Connor Marion, AKA Don Portland

### NOTES:

After receiving a call from Agent Peter Bourland,  
IA was alerted to an illegal server breach made  
from within FBI headquarters.

Our software was able to trace the breach to the  
computer of Agent Connor Marion. Several agents  
were quietly dispatched to apprehend Marion before  
he could flee the building or cover his tracks.

When the agents converged on Marion, he made a  
break for it, leading to a chase through the  
offices of headquarters.

Marion was eventually caught, and relocated for  
interrogation. Further digging has revealed that  
Connor Marion is actually an alias, his real name  
being Don Portland. An apparent computer expert  
who was able to alter his own records and  
infiltrate the FBI as a sleeper agent.

He has been employed here for 11 years.

It has been several years since I added to this journal.

The reason being, I thought the events about which this writing was concerned, were decidedly concluded.

However, recent happenings imply that this is not the case. I have been framed for conspiracy and grand theft by an unknown party with a connection to a sleeper agent in the FBI. This sleeper agent seems to have some connection to a figure who appears prominently in the previous pages of this journal.

Journal Entry...

In order to ascertain the origin of my troubles, I am going to pay a visit to the Manhattan Detention Complex and have a conversation with Dalton Kearn.

INSIDE TRACK BEFORE  
EVERYONE ELSE BECAME  
AWARE OF THE METEOR'S  
VALUE. MAYBE THIS IS  
SOMETHING YOU'D NORMALLY  
GO AFTER, MAYBE NOT. BUT  
BECAUSE EUGENE WAS  
INVOLVED, YOU COULDN'T  
PASS UP THE POSSIBILITY  
OF REVENGE, SO YOU USED  
THE OPPORTUNITY TO FRAME  
HIM. ISN'T THAT RIGHT?

DALTON: ...

EUGENE: TO BORROW THE  
PHRASE, YOUR SILENCE  
SPEAKS VOLUMES.

DALTON: YOU THINK YOU CAN TALK TO ME THAT WAY, EUGENE? YOU OBNOXIOUS, SELF-RIGHTEOUS LITTLE TWERP. YOU SHOULD HAVE GONE DOWN HARD FOR THIS, BUT OF COURSE, YOU HAD FRIENDS IN THE FBI TO SAVE YOU.

BOURLAND: SHOULD I TAKE THAT AS A CONFESSION?

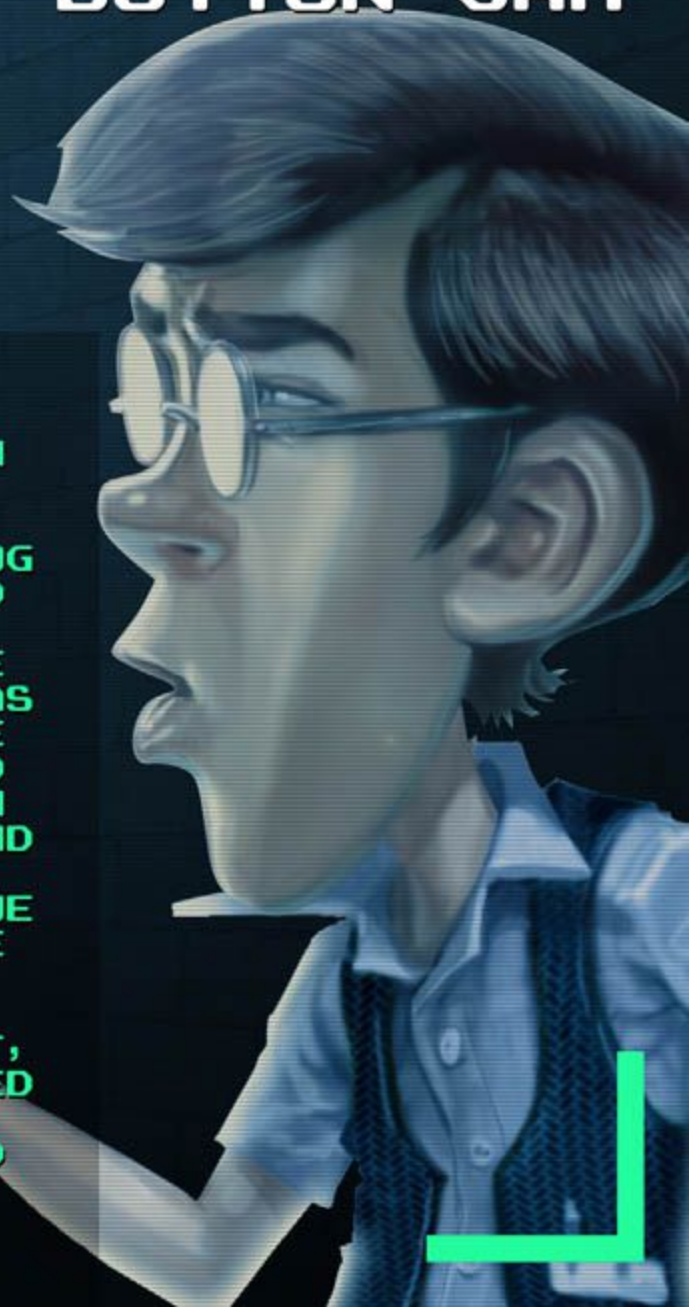

DALTON: *HERE'S* YOUR CONFESSION: I CONFESS THAT I CAN *STILL* MAKE MOVES FROM BEHIND BARS, EUGENE. I CONFESS THAT I KNOW WHERE YOU *LIVE*, EUGENE. I CONFESS THAT FOR WHAT YOU, YOUR FATHER, AND MY OLD FRIEND JOHN WHITTAKER DID TO ME, YOU SHOULD ALL BE LOOKING OVER YOUR SHOULDERS FOR THE REST OF YOUR LIVES.

EUGENE: YOU CAN THREATEN ME ALL YOU LIKE, MR. KEARN. BUT IF YOUR GOAL IS TO PSYCHOLOGICALLY BOG ME DOWN WITH ANXIETY AND FEAR, I'M AFRAID YOU'LL BE UNSUCCESSFUL. MY LIFE IS IN GOD'S HANDS. HE HAS PROTECTED MYSELF AND THE MEMBERS OF MY FAMILY AND COMMUNITY TIME AND AGAIN FROM THE LIKES OF YOU AND PEOPLE LIKE YOU. I HAVE FAITH THAT HE'LL CONTINUE TO DO SO, BUT EVEN IF HE CHOOSES NOT TO AT SOME FUTURE DATE, I WILL NOT COWER. BECAUSE OF CHRIST, MY LIFE HAS BEEN EXTENDED INTO ETERNITY. TO QUOTE THE SCRIPTURE: "THE LORD IS MY HELPER, SO I WILL HAVE NO FEAR. WHAT CAN MERE PEOPLE DO TO ME?"

DALTON: A PRETTY SPEECH.  
WE'LL SEE IF IT HELPS YOU  
NEXT TIME.

BOURLAND: WELL, KEARN. I  
MAY NOT BE ABLE TO SPEAK  
TO WHAT EUGENE JUST SAID,  
BUT I CAN SPEAK FOR THE  
FBI. NOT ONLY WILL WE BE  
KEEPING A CLOSE EYE ON  
YOU AND THE MELTSNERS,  
BUT I SUSPECT IT'LL BE  
HARD FOR YOU TO MAKE ANY  
"MOVES" IF ALL YOUR  
CRONIES ARE LOCKED UP IN  
HERE WITH YOU. NOT THAT  
YOU'LL SEE MUCH OF THEM  
ANYWAY, WHEN YOU GET TO  
YOUR NEW VIP SUITE.

DALTON: WHAT ARE YOU  
TALKING ABOUT?
